

Infection Prevention and Control

January 10-14, 2022

TJC Breakfast Briefings

The Hospital Breakfast Briefings Webinar Series is a great way to prepare staff to maintain compliance in 2022. Below, you will find specific education for staff referring to one of the 13 essential parts. Included is a complete overview of the 2021 standard, chapter by chapter, including any changes or anticipated changes to the survey process.

Please watch for a new TJC breakfast briefing link to be released each week!
