

Conference on
AI in Medical
Imaging

SIIM

CAIMI25

OCT 20-21 | UNIVERSITY OF CALIFORNIA, IRVINE

Co-Chair: Peter Chang, MD

Professor of Radiology & Director, UCI Center for Applied AI Research

OPENING KEYNOTE

When Pixels Speak: Foundation Models for True Imaging Intelligence in Medicine

 Khan M. Siddiqui, MD
Executive Chairman and Chief Executive Officer, HOPPR

 Oct 20, 2025 | 8:00 AM PT

Why Attend

-  Top AI Research – Leading centers + live Q&A
-  Immersive Discussions – Methods, results & clinical impact
-  Real-World Impact – Case studies linking research to practice
-  Cross-Disciplinary – Clinicians, researchers & industry
-  Connect & Collaborate – Build partnerships, find mentors
-  AI in Action – From model development to workflow integration
