

Participate in a UC Irvine Research Study!

Help improve school-based fitness testing — and earn a \$50 gift card!

UC Irvine researchers are seeking participants to learn how school-based fitness testing can better serve students, parents, and schools.

Who Can Participate?

- Middle-school students (7th and 8th grade) and their parents.
- Students must be participating in regular Physical Education at their school.
- A parent or guardian who can participate in the interview.

What Will You Do?

- Join a 30-40 min Zoom session (no in-person visit required)
- Student completes a short survey
- Student and parent/guardian participate in an interview about school-based fitness testing.

Compensation

- Both the student and parent will each receive a \$50 electronic gift card upon completion.
